Re: Case # 2013-00332

We wish to express our strong opposition with this formal letter of protest to the announced intentions of AmeriGas to discontinue our current gas service and replace it with individual residential tanks. The following points should be considered:

The Old Bridge Neighborhood Deed Restrictions forbid both above and below ground tanks.

To my knowledge there have been no complaints regarding our present system.

Common sense shows the proposed changes will not increase efficiency and will be less than esthetically pleasing.

We have all paid significant tap on fees (\$500-1000) to receive the current gas supply.

This neighborhood should not be penalized with increasing gas prices for the benefit of the parent company.

Thank you for your consideration and we sincerely hope that you will reject the Amerigas plan.

Respectfully,

Eddie and Donna Williams
